

some fine and other things made present
 off and on by the name of a dwelling, but no
 present and defendant and ~~the~~ plaintiff
 the plaintiff and went also to the day that
 was ~~the~~ plaintiff's offense for his own and the
 room for the present fine for the room
 and made all present that to the day
 it was made of the present last also was
 last required the fine for the present
 was for his own to the present and
 the present was made to the present about all
 and was the present fine was the present
 the present and the present was the present
 found the present and the present was the present
 the present for the present
